

Rulebook update #13125 - 1 L

AIM dashboard (gauge)

For the 2025 racing season, US Legend Cars International is introducing a new, dashboard (gauge).

This dashboard (gauge) as delivered by US Legend Cars International, will be legal for use at all INEX sanctioned events as of February 9th 2025.

This dashboard (gauge) is intended to be used with the AIM ECU. The AIM ECU is currently being used by US Legend Cars International as a direct stock replacement for the GET ECU.

THANK YOU FOR YOUR COOPERATION,

INEX
