

2025 WINTER NATIONALS

(AUBURNDALE SPEEDWAY)

LEGEND CAR AND BANDOLERO CAR

TIRE IMPOUND

- The mandatory tires for the Winternationals will be available at Auburndale Speedway on Thursday 2/6, Friday 2/7, Saturday 2/8 from 1pm till 4pm and on Sunday 2/9 from 8am till 12 noon, to mount & balance.
- All tires will stay in impound until practice on Sunday 2/9.
- During the Winternationals races, the classes will be split in half each day (first half / second half).
- The first half classes will pick up their tires from impound in the morning & turn them back into impound in the afternoon.
- The second half classes will pick up their tires from impound in the afternoon & turn them back into impound in the evening.
- Tire impound will open each day at 8am till 9am for the first half drivers to get their tires. The first half drivers' tires must be turned back into impound within 20 minutes of the last checkered flag of the first half races.
- Tire impound will open each day at 1pm till 2pm for the second half drivers to get their tires (*depending on the finish of the first half races). The second half drivers' tires must be turned back into impound within 20 minutes of the last checkered flag of the day.
- Your extra marked tires, not on your car, while out of impound, must remain in your pit area & must not be taken into your trailer.
- Drivers can mix & match their 6 (5 for Bandolero Cars) tires (for stagger / wear).
- If you damage your tires on-track, you must replace it (in your impound "inventory" of 6 max. / 5 max. for Bandolero Cars) with a new tire with tire nubs.

These rules are intended to keep teams from "modifying" the tires. Do not buff, shrink, stretch, bake, grind, cut, scrape, wire-brush, wash, prep. etc. your tires on the way from impound to your car or on the way from your car to impound.
